## Linear LED Light LDP585-88RGBW

### Features

- Full colour RGBW linear luminaire
- High performance Osram emitters
- 24v constant current drive
- 40W per metre
- Long life, zero maintenance
- IP40 rating
- Choice of beam angle optics
- Custom lengths available

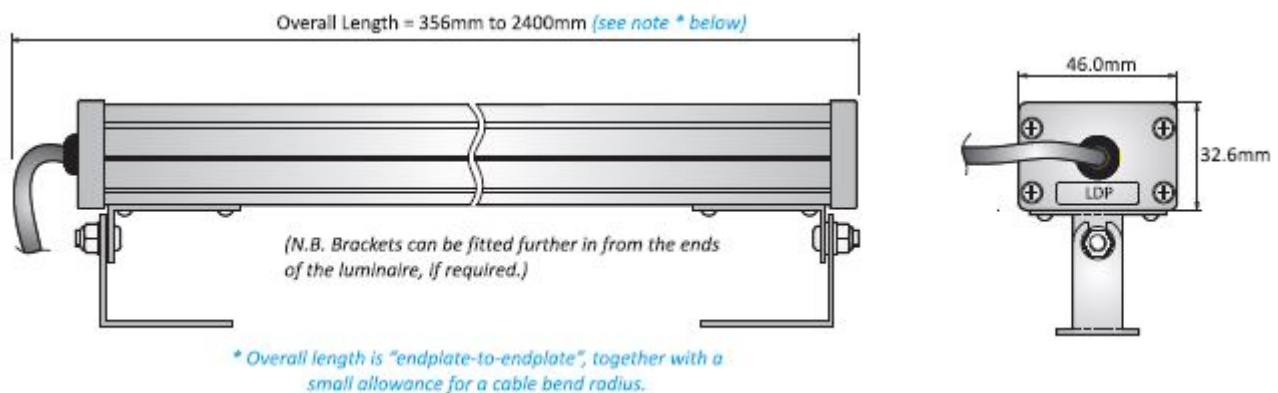

### Description

Designed for full colour wall wash applications in architectural and retail schemes, the LDP-RGBW series linear luminaire provides bright, even illumination. With a profile of 46x33mm the fitting is constructed from powder coated aluminium with a clear polycarbonate filter

SPECIFICATIONS						
Part No.	Colour	Wavelength/CCT	Output (lm) typ	Supply Voltage	White CRI (Ra)	Weight
LDP585-88RGBW-x	Red	630nm	370	24vdc	>82	1.5kg/M
	Green	525nm	610			
	Blue	470nm	160			
	White	4000K	780			

x denotes Beam angle  
Termination is via 2.0metre 5-core cable

### Dimensions

Notes:  
These units must not be connected directly to AC mains supply.  
Use in conjunction with 24vdc constant voltage drivers & controllers  
Please refer to our range of full colour RGBW controllers
